

THE PIG

Dog House Rules

- We do not permit dog breeds that are prohibited under the Dangerous Dogs Act 1991 on our premises.
- Dogs are welcome on outdoor terraces (when open), The Village Pub, The Folly, and The Lobster Shed.
- Dogs are not permitted in the main house, indoor restaurants, bars, communal guest areas or Kitchen Gardens.

Behaviour and Control

Dogs must be kept on a lead and under control at all times when visiting a PIG as we have livestock, poultry and wildlife in the gardens and grounds.

Dogs must:

- Be trained, calm, and well-behaved
- Remain on a lead and under control at all times
- Not be left unattended in hotel rooms or public areas

The hotel reserves the right to address any situation where a dog is disruptive or poses a genuine nuisance to other guests or staff.

Respect for Other Guests

We ask all owners to be mindful of other guests, particularly those with allergies, fears of dogs, or cultural sensitivities.

Cleanliness and Hygiene

We kindly ask that all owners:

- Clean up after their dog immediately. Waste bins can be found in the car park and around the grounds – our team will be happy to show you where they're located.
- Use outside hoses and towels for muddy paws (and boots!) we'd be happy to show you where these are.
- Ensure appropriate hygiene standards are maintained in all hotel spaces.

Staying with Your Dog

- Guests can bring one dog no larger than a Labrador (40kg).
- Dogs must be over the age of 1 year, fully house trained, have up-to-date vaccinations, worming and flea treatments.
- Female dogs in season are not permitted.
- We will provide a crate so that your dog/s can be secured while in your room and when left unattended while you head over to the restaurant to eat.
- Bowls and a dog blanket will be provided in the room.
- We recommend bringing your dog's bedding with you, the familiarity of something from home will help them to settle in.
- For your dog's comfort and to avoid unsettling them, we will not provide an evening turndown service. Should you wish to have a turndown or housekeeping, we can do this while you take your dog out for a walk before dinner.

- Please do not let your dog on any of the furniture or the bed, any damage caused by your dog will incur a replacement charge.
- We expect dogs to be reliably house trained. If there are any “accidents” in the room, please let us know immediately so that appropriate cleaning arrangements can be made, a cleaning charge will apply.

Charges and Fees

- A £40 per night charge applies, plus a £500 pre-authorisation to cover damages or additional cleaning. The owner remains **fully liable for any damage** caused by the dog to hotel property or furnishings.
