

THE PIG HOTELS RE-OPEN ON SATURDAY 4TH JULY

THE PIG AT HARLYN BAY OPENS ON FRIDAY 31ST JULY

On Saturday 4th July THE PIG Hotels will re-open their doors. First night across every PIG is for NHS staff and carers with guests able to stay from Monday 6th July. The team will give everyone a very warm, physically distanced welcome and look forward to feeding and watering in the manner that Team PIG knows best. See Covid measures in footnote.

THE PIG experience may look a little different in this new norm, but the team hope it will feel the same; ultimately it will still be the same people caring for guests and delivering the attention to detail and personalised service that all have come accustomed to. The team will carry out government measures in a way that is true to who they are. Whilst the health and safety of the team and guests is of top priority, they want guests to relax in a space that feels familiar and that so many have built affection for over the years. See Covid measures in footnote.

THE PIG Hotels, to mark re-opening, are giving every room on Saturday 4th July across every hotel to members of the NHS from within a 25-mile radius of each hotel. There were a staggering 5,843 nominations put forward by members of the public and the PIG teams look forward to informing the lucky 190 NHS and carers about their forthcoming stay. The staff at each respective PIG hotel look forward to spoiling the medics and carers with their 25-mile menu and veg and fruit from the hotels' famed kitchen gardens.

THE PIG-at Harlyn Bay construction team were in the final stage of completing the project when lockdown started but they have now re-started work and are on course for an opening date of Friday 31st July.

Reservations for THE PIGs can be made online - thepighotel.com - or call 0345 225 9494. Rates start from £145, room only. The team is now taking new hotel reservations for existing PIG hotels from Monday 6th July. The PIG- at Harlyn Bay reservations will open later this month. Restaurant reservations for lunch are also now open. Reservations for 2021 are available with 2021 room rates fixed at 2020 prices until 31st July 2020.

Notes to Editors

THE PIG group is a personal collection of small lifestyle restaurants with rooms where the focus is on authenticity and informality of design, food and service. There are currently six PIG hotels; THE PIG, THE PIG-near Bath, THE PIG-on the beach; THE PIG-at Combe, THE PIG-in the wall and THE PIG-at Bridge Place. With an obsessive commitment to home grown and local produce, THE PIG celebrates the seasons and uses only the best, freshest and most authentic foods and ingredients. It is all about the kitchen gardens, they are the beating heart of the operation. Everything is driven by the kitchen gardener/forager and chef. They grow and source the food and the chef then creates the menu; uncomplicated and simple kitchen garden food, true to the micro seasons with the emphasis squarely on fresh, clean flavours. What cannot be grown in THE PIG's kitchen garden is sourced within a 25-mile radius of each hotel. There are no 'cookie-cutter roll-outs'; each hotel has its own personality and sense of self. Every property comes with laid-back warm service and a genuine commitment to environmental and social responsibility. THE PIG hotels aim to deliver an outstanding experience for every guest; a 'wow' moment that surprises and delights for a price that won't break the bank. Home grown in every way – breaking the mould of designed hotels by working with what it has and recognising what is good about that. Designed in the style that has become THE PIG's signature, each hotel has a garden restaurant and bedrooms with a touch of luxury and bags of homely charm plus Potting Shed massage treatment rooms in or near the kitchen gardens.
