BESPOKE FACIAL (60 mins) - £110

Using natural skincare suitable for your skin concerns, this luxurious treatment begins with a deep cleanse and exfoliation, followed by an intricate facial massage and face mask leaving your skin feeling restored, radiant, and revitalised. You will also be treated to a soothing head and neck massage.

ROSE UPPER BODY (60 mins) - £110

A tailored and luxurious treatment that starts with warm exfoliation of the back followed by a soothing back, arm and hand massage. The treatment finishes with a facial massage using rose blended oils, leaving you completely relaxed.

MEN'S SIGNATURE TREATMENT (60 mins) - £110

This treatment has been specially created for the modern man. Blending traditional Shiatsu and Swedish massage techniques with stretches and hot stone therapy followed by a mini facial. The treatment stimulates blood flow whilst reducing the build-up of tension.

MUM TO BE (60 mins) - £110

Tailored to suit the specific needs of a mum to be, this massage treatment provides a peaceful and uplifting experience for mother and bump that also relieves fatigue and aches at the same time. (Suitable for those in their second and third trimester of pregnancy).

HOT STONE MASSAGE (60 mins) - £110

A deeply indulgent body massage, using aromatherapy oils and volcanic stones to help simply melt away any tension you may be holding on to. Helping to ease stress and improve blood circulation at the same time. It is said that one stone movement is the equivalent to 10 hand movements.

BESPOKE MASSAGE (60 mins) - £110

We tailor this massage to make it truly unique and personal to you. Using blended natural oils, this treatment can help relieve any aches and pains and totally relax the body and mind.
