Sharing Cider- 750ml

Wilding Cider- Autumn 2020~ 750ml £28

This blend featured the best Yarlington Mill of the season with some lovely Stoke Red apples from Abbot's Leigh and so we have a very drinkable off dry cider with a little residual sugar and a little sediment too. A delicious autumnal cider for drinking at any time of year.

Wilding Cider- Peppershells-~ 750ml £32

Picked from a small orchard in Compton Dando with trees sitting on good soils on top of a hill. Made in the Rural Method it has fermented to a medium sweet, and has very concentrated, rich aromas, ripe tannins and a luscious mouthfeel.

Wilding Cider- November Perry~ 175ml £11

Picked and pressed at the end of October and start of November, this perry is a blend of late ripening varieties from the Perry House Farm orchard in Chew Stoke. Racked once during the winter to retain natural sweetness, this has the acidity and tannin to balance. Very gently sparkling. Great with rich cheeses like Montgomery Cheddar or Bath Blue. Drink chilled.
