

Welcome to our bar! At THE PIGs, we love to champion amazing local distilleries and breweries (you'll find plenty of them on the menu) and we work with the seasons all year round using the freshest ingredients from our Kitchen Garden to make you your perfect drink. You will always find our teams making the most of our homegrown goodies through infusing, pickling and drying, as well as making tinctures, shrubs, jams and vinegars. If you fancy a classic that you can't see on the menu, please just ask - we'll happily make it for you, and are always glad to share our recommendations to help you have the most relaxing, fun and delicious time with us.
